School Social Workers receive Holiday Bonus from Junior League

Over the Thanksgiving week, social workers at 29 local schools each received \$350.00 from the Junior League of Champaign-Urbana, or JLCU. JLCU had extra project funds leading into the holidays, and, through an unprecedented proposal by one of the board members, the JLCU approved proposed donating funds directly to schools through their Social Workers. President of JLCU, Lori Larson, proudly stated to the social workers "Your efforts to advocate the basic needs of students have sparked our attention...We understand that you are always in need of additional resources in order to fulfill the needs of your clients. (These funds are) to be used at your discretion to further address the unmet needs of your students in times of need and struggle."

For more information regarding this press release, please contact Lori Larson, President of JLCU at 359-8103 or lalarson66@hotmail.com
