The Junior League has Volunteers for Your Project!

The Junior League of Champaign-Urbana, or JLCU, is currently accepting applications until **August 15** from area non-profits to provide immediate or short-term volunteer services for projects that need personnel, time or resources. Projects need to take place in Champaign County from September 1 through December 31. Any project related to child, senior citizens, and family welfare, women's issues, or people with disabilities are encouraged to apply! And the applications are **short and easy** because, as a non-profit professional, we know you don't have a lot of time!
