**Enrollment Dues**

I agree to pay enrollment dues of \$145 by September 11, 2018.

**General Membership and Meetings**

I will attend monthly new member and general membership meetings between September 2018 and May 2019. I will discuss with my new member advisor if I am unable to attend any of these meetings. (New member meetings typically fall on the first Tuesday of the month, while general membership meetings are held on the third Tuesday of the month.)

**Commitment to Voluntarism**

I am committed to volunteering my time to make my community a better place. I understand the importance of the League's mission, and am committed to dedicating my time in the following ways:

**Festival of Trees Task Force (fall)**

As Festival of Trees (FOT) is our biggest fundraising event of the year, the committees involved need extra help to make the weekend of FOT run smoothly. I will work closely with a new member advisor and Heather Miller (chair of FOT) in order to understand how my assistance will impact FOT, and will dedicate my time leading up to the event as well as the weekend of FOT (November 16-18) to help ensure that the event is a success.

**Community Impact or Communications Council Special Project (spring)**

Beginning in January, I will work closely with either the Community Impact Council or the Communications Council on a special project designed to help new members get a better feel for what those councils do in League, which will help prepare me for the placement process that takes place in the spring.

**Additional Expectations of New Members**

1. I will abide by the Bylaws and Standing Rules of the Junior League of Champaign-Urbana at all times.

2. I affirm my commitment to The Junior League of Champaign-Urbana's mission.
3. I will participate in events and activities on the League's year at a glance calendar to the best of my ability.
4. I will stay informed of the League's work and remain connected with the League throughout the year.

### **Activation**

New members are activated into active members annually at the March general membership meeting. In order to be activated at the March general meeting, I must have my 2019-2020 dues paid, or have a payment plan in place by the Monday before the March general membership meeting. I must also have successfully completed my volunteer assignments from the fall and spring, and attended general membership and new member meetings over the course of my new member year. If any of these expectations are unmet, I may not be voted into active status.
